

## FACILITIES MANAGEMENT

**Subject: Transportation Services for Students going To / From the New QF Clinic**

Date:  
31<sup>st</sup> Aug. 2009

Dear All,

We are pleased to announce the following transportation services to facilitate the transmission of the students to/ from the new Qatar Foundation Clinic (QF Care Clinic) located at the ECCH lot # 3 from/ to the Education City as per the following details:

**1. Routine transportation of students with routine requirements through a dedicated 'Patient Transportation Vehicle'.**

Though QF-Transport has allocated a vehicle with dedicated drivers towards the above service, this will be a 'call off' service and the patients will be attended within ten or less than ten minutes. The availability of this service shall be shadowing the operation hours of the clinic as announced from time to time.

**2. Specific transportation of students who are confirmed as / suspected to be cases of Influenza A (H1N1), through a separate 'Special Transportation Vehicle (for Influenza cases)'.**

A separate vehicle is being allocated with dedicated drivers towards this service also. This will also be a 'call off' service and the patients will be attended within ten or less than ten minutes. The availability of this service shall also be shadowing the operation hours of the clinic as announced from time to time.

Both these vehicles can be requested by making a phone call to the following numbers:

- 4541105
- 5825842 / 5429149

Thanks & Regards,
