

3 Useful Zoom Features for Remote Study Sessions

1

File Sharing

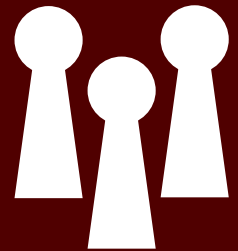

Use the chat to share files with all study group members

2

Breakout Rooms

During a study group, it is helpful to work in smaller groups and then return to main session.

3

3 Tips for Screen Sharing

1. **Full Screen:** Your entire screen is shared.
2. **Single Window:** App selected is shared.
3. **Whiteboard:** Useful for drawing and typing out concepts to share with others in real time.
