Deep Tech Talk Webinar Series: From Research to Marketplace

13 July 2020, 8 – 10:15 a.m. CDT
Via Zoom — Register at tx.ag/Mokpkhg

How can you approach your research with an entrepreneurial mindset and an eye toward transferring ideas to the marketplace? During the Deep Tech Talk Webinar Series, we present and discuss experiences from across the globe about the path to commercialization of deep technologies that address today’s biggest societal and environmental challenges, and shape the way we solve the world’s most pressing global issues.

Keynote Talk:
Mr. Arnaud de la Tour
CEO of Hello Tomorrow

Company Perspectives:
Dr. Blake Teipel
Essentium Inc. (USA)
Mr. Cosimi Corleto
STIL Company
Dr. Sam Saltiel
BETA CAE Systems (Greece)
